I am sending three files (Wordperfect 8) which represent a collective EPA effort to review portions of the draft responses to comments. In each case, principal authors are identified. If there are questions on the water quality piece, try Gail Louis (415-744-2019); for other topics, call me first (415-744-2016). There is a companion FAX (sent to 916-654-9780) which provides additional information on the Clean Water State Revolving Fund.

Thanks and happy holidays. Carolyn Yale
